

1       how do you ascertain for example children that are en-  
2       rolled in private parochial schools?

3               I know you spoke about it, but I didn't under-  
4       stand it.

5               DELEGATE CLARK: Delegate Sherbow.

6               DELEGATE SHERBOW: Delegate Vecera, the state  
7       only provides that \$370 per pupil in public schools. The  
8       state grants its financial aid to public schools at the  
9       rate of \$370 per pupil in public schools.

10              DELEGATE CLARK: Delegate Vecera.

11              DELEGATE VECERA: My question, Dr. Sherbow,  
12       is how are these other pupils who are children of tax-  
13       payers counted or are they not counted at all?

14              DELEGATE CLARK: Delegate Sherbow.

15              DELEGATE SHERBOW: They are not counted in  
16       this calculation because they are not in the public school  
17       system, and therefore the public school system does not  
18       receive \$370 per child in schools which are not public  
19       schools.

20              DELEGATE CLARK: Delegate Vecera.

21              DELEGATE VECERA: How are they provided for in
